

Best MOVITE Chapter Website Award

The Best Chapter Website Award was established by policy in 2015. Each year any chapter may submit a letter for entry into the competition. Chapter websites are judged by appearance, ease of navigation or user friendliness, layout, functionality and content. A bonus is awarded to those chapters that effectively communicate the relationship of the chapter to the section, district and International ITE.

2015	KCITE
2016	KCITE
