

2026 ANNUAL MEETING

LINCOLN, NE

9/30-10/2

LINCOLN, NE

GRADUATE BY HILTON

CALL FOR ABSTRACTS

The 2026 MOVITE Annual Meeting will be held September 30 - October 2, 2026 in Lincoln, Nebraska. The Local Arrangements Committee invites you to submit an abstract for the opportunity to present an exciting new project, innovative technology, or emerging research topic. In celebration of 75 years in the transportation community, the theme of the 2026 Annual Meeting is **"75 Years in Motion: Honoring the Past, Navigating the Future."** This theme invites discussion on how historical insights, present-day challenges, and emerging technologies are shaping the future of transportation systems. We encourage both retrospective and forward-looking perspectives - honoring foundational achievements while addressing the evolving demands of mobility, sustainability, equity, safety, and resilience. Join us as we celebrate 75 years of progress and help shape the next era of transportation. We look forward to seeing you this fall in Lincoln.

Please use the form on the following page to prepare your abstract submission. Abstracts should be 300 words or less. Abstract forms should be emailed to: **austin.yates@iowadot.us by Friday, June 19, 2026.**

The selections will be made by the Local Arrangements Committee. Authors will be notified by **July 2, 2026.**

If you have any questions, please contact Tim Adams or Austin Yates at:
